

# Mark Sweet

(301) 919-8025 | marks828@gmail.com | marksweet.me | Washington D.C, Maryland, Virginia

I am front-end web developer who is unabashed in my love to meet people's needs. I work tirelessly to bring ideas from concept to reality through creativity and ingenuity.

## SKILLS/EXPERIENCE

HTML/CSS | SASS | JavaScript/jQuery | React | Angular | Express  
Rails | Ruby | Python | Django | Node | Bootstrap | Photoshop | Lightroom | Adobe CC

## EXPERIENCE

### Front-End Web Development Teaching Assistant

General Assembly – Washington D.C.

*January 2016 — present*

- Work with front-end web development students to help teach and answer any questions about front-end technologies being taught in class
- Hold office hours outside of classroom time to answer any questions students have about classwork, homework, and projects.

### UX Designer

Fourth Presbyterian Church – Potomac, MD

*December 2016 — present*

- Create surveys to gather information from our leadership and congregation to design a more user friendly website
- Create and iterate on wireframes and prototypes based on the surveys and interviews

### General Assembly Web Development Immersive Student

General Assembly – Washington D.C.

*September 2016 — December 2016*

- Three month (480+ hours) web development course where I learned and utilized the most popular front and back-end languages including: HTML/CSS, JavaScript, Ruby on Rails, Angular, React, MongoDB and others
- FeedMe Project: <https://marks828.github.io/project3 angular/#/feedme> (Rails backend, Angular Front-end)

### Substitute Teacher

Montgomery County Public Schools – Rockville, MD

*March 2014 — present*

- Lead classrooms of 25-30 students, teaching the lesson for the day
- Work directly with students to help with their school work and homework

### Owner/Head Photographer

Mark Sweet Photography – Rockville, MD

*January 2012 — present*

- Own and manage daily operations for a photography business
- Develop good relationships that led to repeat clients, including one that lasted for 5 years
- Schedule client photo shoots and worked with clients to meet their project needs

## EDUCATION

### Bachelor of Science, Family Science

*May 2012*

University of Maryland, College Park, MD  
School of Public Health
